# WELCOME TO HISTORIC FAIRPORT HARBOR

*blending art, culture, and relaxation*

The revitalization of Fairport Harbor is in full swing with 11 new shops and still more on the horizon.

We're a walking town, so enjoy a leisurely stroll through our quaint downtown as you shop for antiques, cultural treasures, gifts and more. Stop in at one of our fine restaurants, visit a lighthouse, take a tour of a museum or two, or simply relax on one of the best beaches around! The map to the right will help guide you, but be sure to check out our other fine businesses located throughout the Village.
